Mr. Ikram Chohan works as Consultant Business Development in Pakistan and overseas. He develops and creates new projects and business ventures. He works to build business bonds between Pakistan and other countries.

Zulfiqar Ali - Managing Director

Managing security related business for the last about 25 years. Since year 2001 working as Managing Director/Chief Executive of the company. Has a vast experience in finance, administration and security operation.

LUNAR SECURITY WORKINGS

Master Planning is important for organizations or businesses that anticipate growth. Lunar's, master planners work with the organizations to help Identify their long and mid-term planning goals and evaluate the security Programs and systems to determine if they match the organization's plan sand develop multi- phase program modifications to support continued growth. Professional Site Surveys and reports dealing with security programs are developed to meet customer's specific requirements. Based on these survey reports and recommendations, Integrated Security Solutions are formulated Consisting manpower and security management components, Access Control, CCTV, Alarm management, Fire Alarm Systems, SOPs, Post Orders; liaison; etc., and this evaluation remains an ongoing process.

STATIC GUARDING

An active and trained guard force meets the security needs of customers. Lunar is working on institutional bases and has an established Human Resource Department functioning with its full properties under the command Of HR professionals. Our HR department time to time and subject to the need, place advertisements in print media to hire the individuals (ex-army and civilians) with due recruitment process. Selection, screening and recruitment is normally carried out, from traditional Local labor market pool, based on project location; scope of work, the concerned task and security threat level. The guard force is trained to address highly critical or complex facilities or situations requiring the highest degree of reliability in the assigned security personnel. The age of guard is not more than 48 years and that of supervisors to be 55 years. Lunar is fully aware of the requirements of Provincial Governments for providing job opportunities to locals. This requirement is met, subject that the individuals fulfill LSS selection and recruitment criteria. Generally LSS has a mix of HR from all provinces and the recruitment, screening, training and performance standards are more rigorous than those of any company in the local market

Executive/VIP Protection (Body Guards)

The Executive Protection is the “elite - cream of the crop “team of the Company’s total security personnel. Majority of the personnel are ex-serviceman from the Armed Forces with minimum 10 - 15 years with relevant Work / specialized experience. These personnel are additionally required to undergo a training program specifically designed to include analysis and Development of conceptual systems to cover Safety & Security aspects of the mission.

MOBILE ROVING/RESPONSE PATROL SERVICES

Offered to clients with highly – specialized security personnel and fully equipped. Patrol vehicles conducting preventive, monitoring and response patrols in specified areas, able to take immediate action. By installing special time attendance systems in protected areas, our patrol services are able to conduct their services utilizing computerized lists.

MOBILE ESCORT SERVICES & TRAINED DRIVERS

Mobile Escort Services are available to protect personnel with high profile Executives, VIPs and / or expatriate movement in areas with high vulnerability. The team and the drivers are fully trained in defensive driving techniques, route survey and surveillance, convoy planning and evasion & evacuation tactics.

RCEPTIONISTS/LOBBY GUARDS

Security trained receptionists and Lobby guards offered to meet security needs of customer at their receptions and Lobbies. Security receptionists are trained on maintaining control of visitors, messengers, customer employee logs, refer customer to appropriate departments and access employees after verification through prescribed procedures.

HUMAN RESOURCE OUTSOURCING

LSS facilitates customers by providing them trained staff to cater their needs for different cadres and levels. Our HR department is committed to provide and develop human resources for our clients. These outsourced personnel contribute customer's business growth, demonstrate their professional capabilities compatible to job profile and accept the challenges.

CONSULTANCY

We also provide consultancy Service to our Clients in which we:-

- Provide monthly Security updates
- Conduct Security evaluation annually or if there is any change.
- Advice on Security / Safety related issues
- Systems designing and implementation
- Development & implementation of Emergency Plans.
- Conduct Independent Security Audits
- System Design consultancy

PROJECT OPERATIONAL STAFF

Directly under the supervision of the management staff and responsible for the day to day performance of the security functions will be the responsibility of the following.

Personnel:

- Control Room Supervisors
- Static Post Supervisors
- Mobile Response Patrols
- Static Security Guards

AVAILABLE MANPOWER

In order to ensure economy, a small number of manpower is maintained at all time. It is therefore required that 30 days advance notice may be given within which we are capable of providing security personnel.

MANAGEMENT METHODOLOGY

Upon award of the contract, LSS implements a proven operational Plan that is executed by experienced management staff to provide effective & efficient protective security services to all our customers which includes foreign, multinational and large local industrial groups/companies.

Annex I Premium Bill for the period 01/01/2023 to 31/12/2023
Annex X List of Insured Employees (being sent through email for reconciliation with your record)

For the purpose of exact final billing you are requested to kindly provide us the updated list of employees, including all relevant information along with CNIC numbers as the CNIC numbers are mandatory for Insurance.

Should you find any discrepancy or require any changes in any of the above, please mark the changes and return to Jubilee Life Insurance Company Limited. Kindly note that the total premium payable for the period **01/01/2023 to 31/12/2023** is **Rs. 42,336/-**. You are requested to kindly arrange for the payment.

We look forward to strengthen our existing business relationship.

Kind regards and with best wishes,
Corporate Business Operations.

C.C. : Muhammad Waqar Aziz
